CELEBRATING 20 YEARS OF REMARKABLE SENIORS:

AGELESS REMARKABLE SAINT LOUISANS GALA

On September 28, 2024, St. Andrew's Charitable Foundation hosted the 20th Annual Ageless Remarkable Saint Louisans Gala at the Hilton St. Louis Frontenac. This unforgettable event celebrated twelve extraordinary individuals who, in their later years, have continued to make a profound impact in their community through their careers, volunteerism, and philanthropy. The 2024 Class of Ageless Remarkable Saint Louisans included:

Seated (left to right): Jacqueline Hutchinson, Ann Scheuer, Rev. Ann Asper Wilson, Sister Helena Monahan. **Standing:** Joyce M. Wilks-Love, Clarkson Carpenter III, Albert Randolph Sr., Marguerite Perkins Garrick, Joseph Yancey, Harriet Kopolow, Dr. Joe Privott, and Rex Reed.

Emceed by Dan Gray, the evening featured highlights such as a dream vacation raffle and an inspiring fund-a-need segment, which raised essential support for low-income seniors.

Awards were also presented to honor outstanding contributions:

The Champion for Seniors Award was given to Lawrence Group for their steadfast support of seniors and St. Andrew's. The Dedication to Seniors Award went to Laura McBride, a long-time board member and passionate advocate for seniors.

Thanks to the generosity of attendees, sponsors, and supporters, nearly \$250,000 was raised. These funds will sustain vital programs for seniors, including caregiving, healthy grocery deliveries, home repairs, safety modifications, and access to healthcare.

The gala's success would not have been possible without the dedication of the Foundation's Board of Directors, including gala co-chairs Natasha Hrycauk and Melissa Jones, and board president Brooke Hunady.

MISSION MOMENT

EXCITING FACILITY UPDATES AT TOWER GROVE MANOR

St. Andrew's Charitable Foundation is proud to announce a recent project designed to support the safety and comfort of seniors into the future. Thanks to the generosity of Ameren Missouri and the Home Builders Charitable Foundation, the charitable arm of the Home Builders Association of St. Louis & Eastern Missouri, we recently completed essential electrical upgrades at Tower Grove Manor, an affordable independent senior living community.

After

All 212 kitchen outlets in 105 apartments were replaced with GFCI-protected outlets. These upgrades enhance both the safety and energy efficiency of the facility, providing a more secure and modern living environment for residents.

Tower Grove Manor, a historic building over 100 years old, requires ongoing improvements to meet the needs of its residents. Last year, with the help of a generous planned gift from a dedicated supporter, we were able to replace the aging roof, ensuring the facility remains a comfortable and safe home for its residents.

We are grateful for the continued support of our community partners and donors, whose contributions make these impactful improvements possible. Together, we are creating safer, more comfortable homes for the seniors who call Tower Grove Manor home.
